STOUT-ROBERSON

Mr. Urban Stout, an industrious and energetic young man, and Miss Maggie Roberson, an estimable young lady of Mayslick, were quietly married in this city yesterday, Rev. C. W. Chadwick officiating. They have the best wishes of their many friends.

The tinkling cadence of wedding bells was not needed to herald the approaching event as one entered the home of Mr. and Mrs. Robert Ficklin yesterday afternoon, for white covered floors, a maline entwined stairway, palms, ferns, carnations and chrysanthemums proclaimed on all sides, "Here comes the bride."

Between the drawing-room windows stood a pyramid of green at whose apex twinkled a crystal candalabrum of starry lights, while on each side graceful pedestals supported silver candalabra. Before this bridal shrine of green and white Rev. Felix K. Struve awaited the wedding party. To the measured strains of Mendelssohn's immortal March the beautiful bride and her Maid, Miss Myra Duke, entered one door as the groom and his brother, Mr. Earle Ross, advanced from the other. Amidst the ceremony closed two radiant faces greeted the friends whose good wishes were so affectionate and sincere.

The bride wore a dainty gown of white mousselaine over silk, simply made, as became her girlish beauty. From a wreath of orange blosits misty folds could be discerned a superb bou- ing Day. quet of white chrysanthemums.

Miss Duke looked very attractive in pink messaline, bearing an arm full of chrysanthemums to match her gown.

A toothsome collation followed the ceremony, and then amidst the merriment of rice, good wishes and adieus, Mr. and Mrs. Ross drove to pelled to lay in Jail for over five long weary the Station whence they started on an exten-

A PROCLAMATION BY JOHN C. PECOR.

PEOPLE OF MAYSVILLE

Whereas, the people of our city have been led to purchase so-called remedies from which they have received no benefit whatever, and having thus wasted so much hard-earned money, It has come to pass that they knew not what to believe.

Inasmuch as this unsatisfactory state of affairs now exists, know, therefore, all persons who are in need of a medicine for any of the following ailments, that we will supply them with Vinol, our Cod Liver preparation made without oil, on a positive guarantee that if it does not succeed in benefiting them, we will refund the entire amount of money they have laid out on the medicine.

There is no one medicine that will cure everything, but there are some we know to be honest, reliable and of great curative value. Such is VINOL; it is not a patent or secret medicine, - everything in it is plainly printed on the label. We are familiar with every particle of it, and know that it should be a blessing to all persons who have troubles hereinafter described; and, unlike other medicines, it will cost absolutely nothing if it produces no

Could any offer be more fair than this? You are ill; we offer you medicine which we believe in our hearts will be a blessing to you, and if it is not we will return to you every penny you paid us. Is there anyone foolish enough not to accept this offer? If you are ill and need such a medicine you owe it to your family, to your friends, and yourself to try VINOL, which we give you our pledge is a genuine Cod Liver preparation made from fresh Cod's Livers.

Do you think we could afford to lend our name to its praises, as we have been doing in the newspapers, if we did not know VINOL to be an honest and unusually valuable remedy for the ills for which it is prescribed? We certainly could not; we therefore ask you, our neighbors, friends and acquaintances, to accept our assurances that this is a genuine offer, and that any and all persons who need a medicine of this character should feel a sense of security in

All Run Down - No Appetite. If you feel all worn out, have very little appetite, and not much sleep, caused by over-work or sickness, try VINOL on our guarantee.

Debilitated—All Tired Out. Why drag out an existence without life or ambition. It is not natural to feel continually tired. We guarantee VINOL will bring life, strength and vigor to the debilitated. If you do not feel well try VINOL. If it does not help you, your money will be refunded.

Gain Flesh - Get Strong. You can get fat without taking disagreeable Cod Liver Oil. Fat taken into the system does not create fat. We believe VINOL will create flesh quicker than any preparation containing grease. We have proved in many cases that VINOL quickly creates strength. Try it on our guarantee.

Indigestion - Dyspepsia. Only those who actually suffer know its terrors, for them life is robbed of all joy. It produces many serious complications and enfeebles the entire system. Relief only comes when a scientific remedy enables the stomach to properly assimilate food. There is no medicine that will do this so successfully as VINOL. Try it on our guarantee.

Old People - Weak People need a strengthening and invigorating rebuilder. VINOL is of exceptional value in such cases. We guarantee it to give strength and health to those who are weak and debilitated, from disease or old age. Try it on our guarantee.

Pale Women - Pale Children need a tonic-reconstructor that will create flesh and make pure red blood. Pale, haggard faces show that the blood is poor and thin, and also indicates imperfect digestion. VINOL will correct such troubles as sure as the sun shines. Children love VINOL, it is so delicious. Try it on our guarantee.

Bronchitis - Sore Lungs often end fatally unless specially cared for in its early stages. There is no medicine more valuable for restoring health to the throat and lungs than VINOL. Try it on our guarantee.

Mervousness - Irritability. Diseased nerves are due to over-work, insufficient nourishment or slow breaking down of general health. We guarantee VINOL to permanently and effectually remove nerve affections; it actually rebuilds the entire body. Try it on our

Chronic Colds - Hacking Cough. Sure signs of danger ahead. One might as well commit suicide as to let them go unchecked. VINOL is the very medicine needed. Unlike other Cod Liver preparations, it does not upset the stomach, and is delicious to the taste. Try

Nursing Mothers - Weak Mothers. If women with nursing babies who have difficulty in keeping up their health and strength would take VINOL, we know positively that the best results would be obtained. You know the life and future development of the child depends upon proper nourishment.

We stake our reputation on this offer being genuine. You will absolutely be under no obligation to us whatever, if after you have given VINOL a fair trial for any of the above ailments and have not received any benefit; you have only to tell us so, and we will return the entire amount of money you have paid us.

You see our faith in VINOL, and you must admit that we know something about medicine; therefore, when we tell you that VINOL is the most valuable Cod Liver preparation we have ever known, and a wonderful tonic-reconstructor and rebuilder of strength, appetite and health, at the same time delicious to taste, we are not unreasonable to expect you to believe us.

SOLEMN CEREMONY

Two Humble Workmen Buried in a \$10,000 Steel Shroud

A funeral without paralel, perhaps, in history, took place in Philadelphia Sunday from the Midvale Steel Works, where a forty-ton ingot of steel, permeated with flesh, blood and bones of two workmen, was buried with solemn rites of the Roman Catholic Church.

The workmen who were so strangely laid away were John Forkin and Joseph Gazda, two foreign speaking laborers, who met a horrible death a week ago.

They were in a pit near a cupola containing many tons of molten steel. A plug gave way and 80,000 pounds of fiery fluid poured from the cupola and overweelmed them. The men were completely incinerated, and not a trace of them or of their clothing was left.

SOULLESS CORPORATION.

The Midvale Steel Company was averse to selling the steel or using it for the purpose inrites of the Church to which the two unfortunate men belonged. Accordingly the forty-ton ingot, oval in shape, twenty-eight feet long, six feet wide, five feet thick, and worth \$10,-000, was moved last week by a traveling crane been heard by the people living between Pittsten feet deep was made. The great mass of metal was laid in the hole and a platform was built over it so that burial services could be better performed.

In the center of the platform was an opening six feet in diameter.

MORBIDLY CURIOUS CROWD.

A great crowd sought admission, but only the two sisters of Gazda and about 100 workmen were permitted to attend the service along with officials of the Company.

All heads were bared and flags lowered at half staff while two Priests conducted the services. After the sisters of Gazda had been led away the great ingot was covered with earth and the funeral party dispersed. The grave of the men will be appropriately marked by the

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness and that is by constitutional remedies. Deafness is caused by an inflamed condi tion of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrah, which is nothing but an inflammed ondition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars F. J. CHENEY & CO., Toledo, O.

Is one of the most essential provisions for mankind, Thus it is important the children and boys are provided with suitable garments by the parent. The young men have fancies of their own; the elderly gentlemen have styles of a personal character.

The One Question Which Concerns All Alike

Is where to find their fancies. The knowing ones with one accord will say it is where you find guaranteed merchandise; where prices are in plain figures; where your money will be refunded if you so desire;
